

THE OFFICIAL QUIZ "RULESET"

2024

Introduction

"Welcome to the official *Tamás is Getting Older* Quiz Run! This annual event features a wide range of thematic questions designed to help you connect with your surroundings and explore the environment. Enjoy a sequence of thought-provoking challenges, a touch of strategic drinking, and a fresh perspective on the setting—all part of the experience!"

Setup

The quiz run is played in teams of three, so each participant should organize themselves into a team based on mutual agreement. Aim to form teams with diverse, multidisciplinary knowledge, as the questions cover a broad and varied range of topics. Each team will receive *The Official Quiz "Ruleset"*, containing information on the locations of the thematic quizzes in the area.

The Quiz

The quiz kicks off on the road leading to the grilling pavilion, right in front of the workshop building. At the start, each team will choose a name and receive *The Official Quiz Ruleset*, marking the beginning of the event. Teams can decide which location to tackle first, based on their guesses about each spot. As newcomers to the area, competitors are also responsible for locating each quiz spot once they've made their guesses.

COMMUNICATION BETWEEN TEAMS IS NOT ALLOWED. Each team will have an assigned quiz organizer who will monitor them throughout the event. Teams may ask their organizer for simple guidance in finding locations, but organizers are strictly prohibited from assisting with quiz answers or revealing location names.

The quiz spans eight unique locations both inside and outside the house, which players must locate using hints on *The Official Quiz Ruleset* sheet. At each location, teams will find three envelopes, each containing questions on a topic related to that spot. The envelopes are hidden with varying difficulty: one easy, one intermediate, and one challenging. The first team to reach a location gains a significant advantage.

Each envelope contains a sheet with 5–6 thematic quiz questions related to the location. Each sheet also includes a scoring system, allowing teams to distribute drinks among themselves or to opposing teams. The number of drinks to be redistributed, and to whom, is specified on each quiz sheet.

THE USE OF MOBILE PHONES IS STRICTLY PROHIBITED. Any team caught using one will receive a penalty of 2 shots. Quiz organizers may provide up to three hints per team, each based on ChatGPT answers.

There are no partial points for questions; if a question requires multiple steps or sub-answers, all parts must be correct to earn points. No negative points will be given for incorrect answers.

Teams must stay together, so strategic splitting or spying on other locations and teams is not allowed. If any team member leaves a quiz location, the answer sheet becomes final and must be submitted for review, with no further modifications allowed.

The Goal

The goal of the quiz is to be the team with the fewest shots consumed by the end of the game. Shots are assigned in two ways:

1. A team scores low on a quiz sheet and must drink the assigned shots.
2. Another team scores high and assigns shots to a team of their choice.

The team assigning the shots is identified to the recipients, encouraging strategic shot assignments.

THE OFFICIAL QUIZ

"RULESET"

2024

HINT	LOCATION	SHOTS
The cool heart of the house, where ancient bottles dream of sunlight.		
Where empty chairs wait patiently, ready to bear the weight of relaxation.		
Where forgotten memories gather dust, and shadows guard treasures of the past.		
A place where things come apart to be reborn anew		
A window to distant worlds, yet it stays firmly in place.		
An invitation to let go, soaring only to return again.		
A separate place nearby, where practical tasks bring comfort close to home.		
An observer, reflecting stories and scenes as it rests in silence.
